Recommendations of the Personnel Policy Board on the Career Management Program

1. New pay schedule for overseas slots will be presented to DD/P to equalize the grades in headquarters and the field.
2. All domestic slots will be considered headquarters slots for the purpose of the Career Management Program and not field slots.
3. All personnel will be frozen in headquarters grades equivalent to overseas grades until such time as rotation is accomplished. In the event that overseas grades are raised, headquarters grades would be raised to the equivalent level.
4. Promotion above a GS-9 will require overseas duty as a prerequisite. [REDACTED] dissented.
5. In cases where there are specific gripes or hardships, there will be an appearance of the individual before the Personnel Policy Board.
6. Category III under ROTATION as presented in the program by C/ASD was revised. Any aggregate tours totaling twelve months: generally TDY or specific detail assignment.
